Riding for pleasure

Sielanka is surrounded by a beautiful area - green fields, the Pilica River Valley and the Stromecka Primeval Forest - an ideal environment for pleasure riding.

For less experienced riders **Sielanka** offers riding lessons provided by professional instructors. **Sielanka** invites you for 7 days riding holidays - including riding lessons and accommodation in **Sielanka Hotel******

Equestrian teambuilding activities

For our corporate clients we offer equestrian teambuilding activities including anti-stress exercises on horseback, riding lessons, carriage rides or sleigh rides and equestrian shows.

Training

Sielanka offers horse training program (dressage, jumping and driving), including young horses training. We also offer riders' training at all levels. There is a possibility of taking riding lessons either on your own horse or on a well prepared Sielanka's horse.

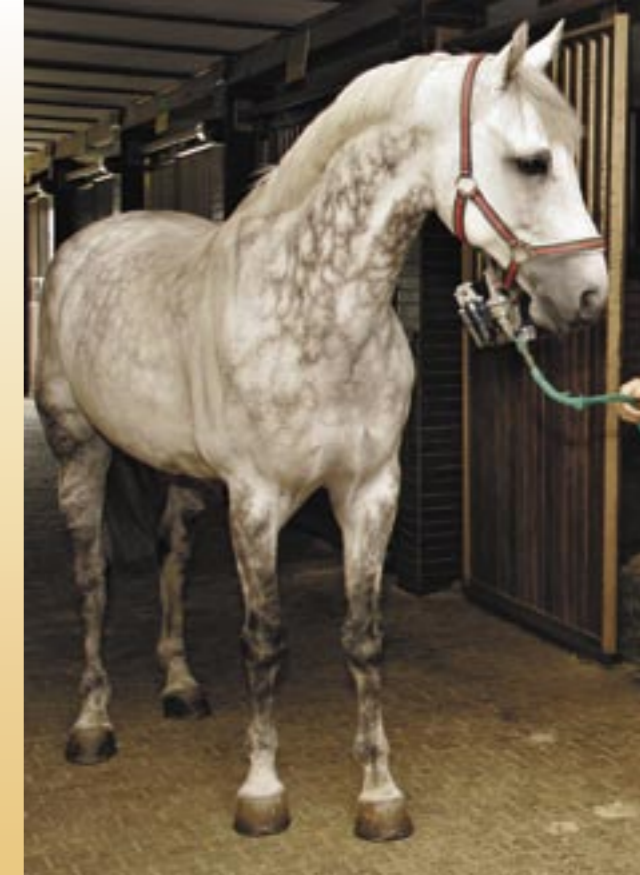

Boarding for horses

In Sielanka Equestrian Center we offer full boarding for horses - our facilities include:

- indoor arena,
- large outdoor jump and dressage arena,
- paddocks and grazing areas,
- tackroom, solarium and washstall with warm and cold water in every stable,
- full set of jumping and driving obstacles.

We offer full service care for your horse, provided by professionals. Additionally we offer full boarding and treatment for horses after injuries or/and operations.

Sielanka Equestrian Center

Looking for a horse of your dreams?

We will be happy to help you find it - either in Poland or abroad, depending on your requirements. Our consulting includes veterinary diagnosis and horse ridability assessment.

We also help in developing individualized equine nutrition and supplementation programmes as well as in choosing the right horse-tack.

Horse Transport

We offer horse transport services all over the world with full customs service in professional 9-horse and 5-horse vehicles equipped with air-conditioning and monitoring system.
